

Membership Benefits

The Lindfield Chamber of Commerce primary charter is the promotion of local business within the community. The Chamber brings together a diverse group of local businesses with a shared desire to connect and collaborate with each other.

Becoming a Member of the Lindfield Chamber of Commerce brings a number of key benefits for local businesses including:

Networking and learning opportunities through a range of events and activities including

- Business breakfast seminars and lunches
- Member meetings
- Exchange of ideas and information with fellow Members at networking events & functions

A voice in the community

The Chamber has a good working relationship with Ku-ring-Gai Council and gives local businesses a chance to be heard on local issues

Business education and information

A chance to make new friends and contacts at our social and networking events.

Marketing opportunities
